Metal Rear Back Socket

YFX3800 Full Extension Slide (100#):

“The most popular profile on the market today...and best value in its class.”

Quality material and workmanship combined with smooth action makes the Sterling™ FX3800 the top performer in full extension slides. Compare the performance, quality and reliability from one of the world's premier manufacturers of ball bearing products. The FX3800 is offered at a competitive price and available from stock.

FEATURES: 32mm Hole Pattern, Breather Tabs, Lever Disconnect

CLEARANCE: 1/2" (plus 1/32" / minus 0" each side)

HEIGHT: 1-13/16" (45.6mm)

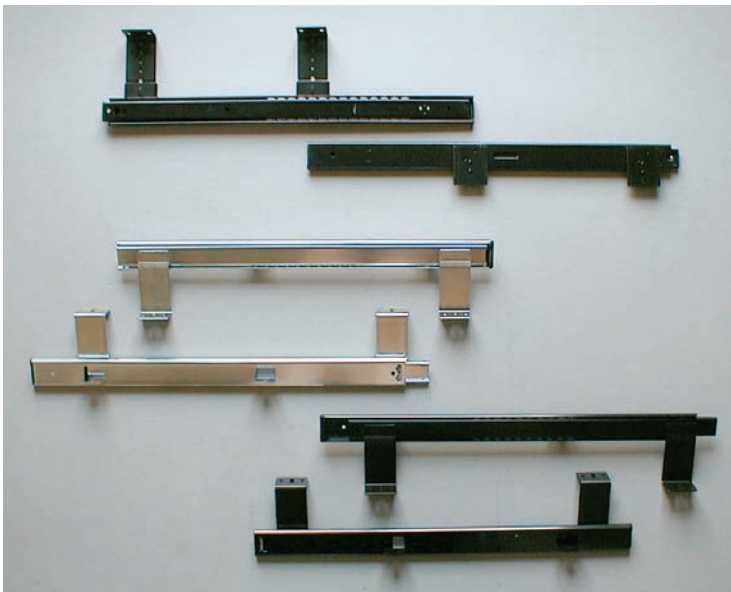

LOAD RATING: 100 pounds

(15 Pairs per Carton, Pairs individually Poly-bagged, Zinc or Black, Available in 10"–28" Metric Lengths).

KEYBOARD SLIDES:

“Enhanced features and variety in comparison to conventional keyboard products...”

Sterling™ keyboard products have been designed with some unique features. The extending outer member and “capped” end provide premium appearance and function by preventing sharp edges from protruding beyond the case while effectively relocating the greased bearings to an outward position to protect the users clothing.

YKSB2400 Adjustable Keyboard Slide:

The latest in adjustable bracket keyboards. This slide provides flexibility in height as well as accommodating custom keyboard trays. Additional mounting holes have been provided accordingly. (Available in 14", 16" and 18" Lengths, Zinc or Black, Pairs Individually Poly-bagged).

YKST2300 Tabbed Keyboard Slide:

Support Tabs, 2 3/8" Fixed “Outward” Mounting Brackets, and competitive price, make this an industry favorite. In/Out detents standard. (Available in 14", 16" and 18" Lengths, Zinc or Black, Pairs Individually Poly-bagged).

YFX3000 “Low-Profile” Full Extension (80#):

“Perfect for desks and small box drawer applications...”

A unique lower profile is a great choice for narrow and lightweight drawer boxes where a larger slide is simply not required or a more streamline look is preferred. The FX3000 series provides the benefits of full extension with the height of common single extension slides.

FEATURES: 32 mm Hole Pattern, Breather Tabs, Lever Disconnect

CLEARANCE: 1/2" (plus 1/32" / minus 0" each side)

HEIGHT: 1-7/16" (37.5mm)

LOAD RATING: 80 pounds

(20 Pairs per Carton, Pairs Individually Poly-bagged, Zinc, Available in 16"–22" Lengths.)

YFX8800 “Lateral File” Full Extension Slide (150#):

“The ideal slide for Lateral File Cabinets and heavier applications...”

This telescoping slide is a great alternative to more traditional rail-mount systems with the same 1/2" side clearance. Complimentary to the FX3800 and FX3000 series, the FX8800 is also based on metric measurements and offers similar hole patterns and includes a 1" over-travel.

***NEW**

FEATURES: Telescoping, 32 mm Hole Pattern, Breather Tabs, Lever Disconnect

CLEARANCE: 1/2" (plus 1/32" / minus 0" each side)

HEIGHT: 2-1/8" (54.5mm)

LOAD RATING: 150 pounds

(5 or 10 Pairs per Carton, Zinc, Pairs Individually Poly-bagged, Available in 12" – 22").

YFC4000 Rail Mount Full Extension Slide (150#):

“Combines progressive extension with heavy load capacity...”

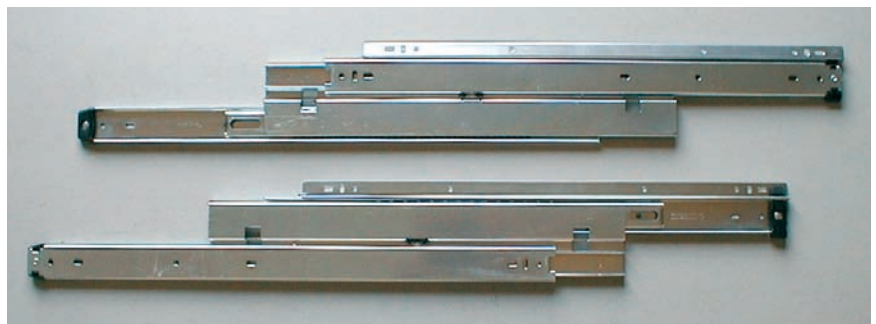

This heavy duty full extension slide with traditional rail-mount system is the perfect slide for desk and furniture manufacturers incorporating lateral file cabinet systems. The progressive action provides an unmatched feel for heavier weights.

FEATURES: Non-handed side members. Progressive movement. Release clips with quick disconnect rails for easy drawer removal.

CLEARANCE: 1/2" Side clearance, 12.7 mm (plus 0.8 mm / minus 0 mm each side)

HEIGHT: 4" (101.6 mm)

LOAD RATING: 150 pounds

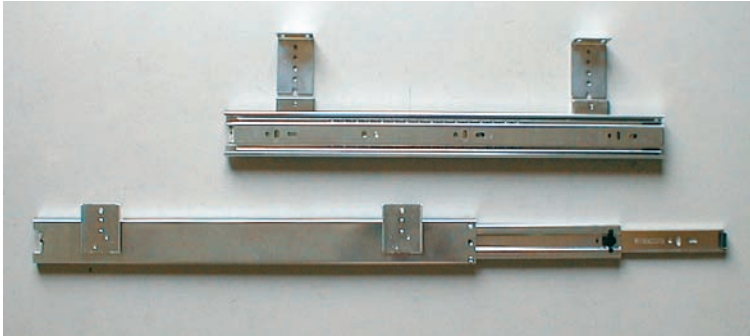

(Available in 12"– 24" Lengths, Pairs Individually Poly-bagged).

YFXB3200 Full Extension Pencil Drawer Slides:

“The ultimate Pencil Drawer slide with adjustable hanging brackets and full extension...”

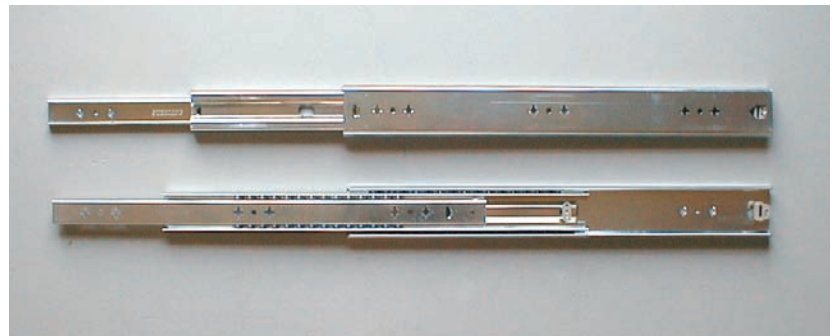

Add versatility and decrease labor costs with the latest full extension slide for pencil drawers. The only one of its kind. Combines the benefits of the FX3200 series with the ease of mounting of conventional pencil drawer slides with hanging brackets.

(Pairs Individually Poly-bagged, Available in 18" or other sizes upon request).

YFXM7300 Heavy-Duty Full Extension Slide (250#):

“The versatile Full Extension, Heavy Duty slide for those special applications...”

Whether it's a slide to support heavy equipment such as computer servers, battery/cargo trays in vehicles, or the assurance of added support for any application, this product is the cost-effective answer. Includes metal trigger disconnect. 3/4" side clearance (plus 1/32" / minus 0" each side). Load rating is 250 pounds.

(5 Pairs per Carton, Zinc, Metal or Wood mounting styles, Pairs Individually Poly-bagged, Available in 12" – 36" Lengths).

YFX9000 “Extreme Heavy-Duty” Full Extension Slide (500#):

“The full extension slide for the most robust ball-bearing slide applications in the marketplace...”

The smoothest 500# Full Extension Slide of its type is available from 12" – 60" by special inquiry only. This slide is the perfect choice for battery tray pullouts, and very heavy-duty applications. Due to the specific nature of this product... please contact our customer service department for more details. 3/4" side clearance. Load rating is 500 pounds.

(1 Pair per Carton, Zinc).
